**Brief Details.**

On 16/03/2021 at about 1910hrs, I was driving my vehicle (SHC2679T) along Lorong 4 Toa Payoh at the T-junction of Toa Payoh Central. The traffic light turned from red to green. I slowly moved forward to check for incoming vehicle. I proceeded to make a right turn when there was no incoming vehicle. While making a right turn, I felt an impact on the front left side of my vehicle. I immediately alighted and saw one motorcyclist on the floor. I assisted him to the side of the road before the police came. Traffic police and ambulance also arrived shortly. The motorcyclist was conveyed to hospital by the ambulance.

The front left side of my vehicle was damaged as well as the advertisement banner at the top. I was advised by the traffic police to lodge a police report. I wish to state that I have an in-car camera in my vehicle and the traffic police had took my SD card. I also wish to state that my passenger and I did not suffer any injuries from the accident.
