Describe Circumstances of the Accident

On 25/7/22 at 0830hrs

Refer by Police Report

The incident happened on July 25th at about 8:30a.m. On my way to work, I was at Choa Chu Kang Avenue 2, a single-lane road in front of Tembusu Park. Then there was a car with the registration plate SMH3920H that happened to be on the same lane while I was travelling straight ahead towards my destination. Her car was positioned to the left of the lane and it seemed to be moving straight ahead, however, she ultimately made a sudden wide turn from the position she was at and turned right without giving any signals, which did not give me the opportunity to react to avoid her car because the position of the car was completely covering the whole lane at that instant. Furthermore, I was not driving past the speed limit and even tried to jam-brake, however, I could not refrain myself from colliding into her car. There is a possibility that she did not scan her blind spot at all because if she had she would have seen me before having to turn in, and if I had attempted to overtake her at that time, I would have collided to the front of her vehicle rather than the side-rear.

Hence, it clearly shows that I did not speed or have any intentions of overtaking her. She did apologize to me immediately after the incident, however, I was unable to provide any evidence and witnesses as she was rushing through. I only managed to get her phone number and her license plate number. Later after the incident, we communicated through Whatsapp and I asked her for the video footage from her car-camera a few times after which she said she saw the tape on her car-camera, but she disregarded me and would not release it.

Declaration

I/We declare the foregoing particulars are true in every respect.

Brief details.

At about 0830hrs while I was riding to work, a red mitsubishi car bearing plate number SMH3920H suddenly made a wide right turn abruptly on a single lane road t-junction without signaling. I immediately pressed my brake hard and tried to swerve but due to the lack of space I ended up hitting the right side of the vehicle. I suffered some injuries on my left arm and my motorbike was badly damaged. No police call was made as she was in a rush and we agreed on a private settlement.
