Brief Details.

On 29/07/2022, at about 1550hrs, I was driving along PIE towards Changi at the first lane which is the extreme right lane. I had a 2 passenger with me at the time. The traffic was very heavy, and there a few accidents and vehicle break down along the expressway. The taxi (SHA 9794H) applied brake as such I pressed on my brake and subsequently the vehicle Police Van from rear (GBC819R) collided to the rear of my vehicle which then collided to the front vehicle. I had informed my insurance and told me to proceed to lodge GIA report.

The passenger of the taxi informed he had no injury and in hurry to catch his flight.

No injury to all the passengers and drivers involved. No ambulance activated.
