CIRCUMSTANCES OF ACCIDENT

It was Sunday morning at 10.40 am. I was driving my vehicle (Honda Civic SKS5720S) along Lorong 6 Toa Payoh and stopped at the T-junction (Toa Payoh Garden and Toa Payoh Bus Interchange) traffic light which was Red. There was a passenger (my wife) in the front left seat of the vehicle. It was drizzling at that time, albeit it was sunny. I was behind 2x motorcyclists at the T-junction traffic light in the direction towards east. While waiting for the motorcyclists in front of my vehicle to move off when the traffic light turned Green, my vehicle was hit with a loud bang when I started to move off. From my rear view mirror, I saw that it was a SCDF ambulance (QX1254A). I stopped my vehicle to inspect the damage. During my exchange with the SCDF ambulance driver (Muhammad Nurul 'Saifuddin Bin Suprat) on why he drove into my vehicle, he replied that he saw the traffic light Green but failed to see that my vehicle has not completely move off. The ambulance has a Vehicle Commander onboard too. After we took the necessary photographs and exchanged particulars with the driver of the ambulance, we left the scene of the accident after 15 minutes. I reported the accident to my insurer and I was advised to make a traffic accident report to SPF since the accident involved a Government vehicle.
