Dear Sir

MEDICAL REPORT FOR: SULAIMAN BIN DAUD (NRIC NO. S8740465Z)

The above-named was seen at our clinic on the 25th of October 2021.

He reported that he had been involved in a minor road traffic accident on the previous day. On the 24th of October, a taxi collided into his motorcycle, causing his motorcycle to topple. The patient sustained injuries while trying to steady his motorcycle.

The next day, on the 25th of October 2021, the patient woke up with pain over his left shoulder, and felt pain over both arms.

On examination, an abrasion 8cm in diameter was noted over his left forearm.

There was another abrasion 2cm in diameter over his right forearm, as well as a bruise 4cm in diameter over the volar aspect of his right forearm.

The range of motion over both his shoulders and arms was satisfactory.

He was diagnosed to have sprained his left shoulder, suffered contusions and multiple abrasions over his arms during the accident.

He was not prescribed medication as he had applied his own topical medication and also consumed his own oral medications for his injuries. He was given Medical Leave for 2 days, from 25/10/2021 to 26/10/2021.

Yours faithfully

Dr Amy Wee
