Hi Ivan,

I have spoken to OI in the morning.

OI mention that the damage sustain on TPV seems to be old scratches. And mention that TP did inform Oi to do a private settlement.

However, I have explained to OI that as we are not at the scene, therefore, needed evidence to prove that TP did mention of private settlement with her and video footage to prove on how the collision happen. Did mention to OI to provide whatever evidence she has on hand to us for us to investigate this matter. Did inform OI if by the end of the event whereby both parties do not have concrete evidence to prove individual version of statement, the liability will be shared equally.

Thanks
