Brief Details.

On 09/08/2022 at about 0105hrs, I was notified by my son, Douglas Tan Han Long, that my car, registration plate number: SMM2046H, was involved in a hit and run accident at the open-space car park of Blk 963 Jurong West Street 91.

My son told me that he was approached by a witness, Latiff, HP: 96410999, and told him that my car was hit by a lorry, registration plate number: GBB7462U. Latiff told my son that the lorry wanted to park at an empty lot beside my car. While the lorry was reversing, he claimed that the rear-right side of the lorry collided onto the front-left side of my car that was parked, causing a major dent and scratches. The front-left tire also felt misaligned when my son tried to drive. Latiff then told my son that after the lorry had hit onto my car, the lorry just left.

When my son came back to the car after having supper with my wife, the lorry was no longer at scene. My son then proceeded to drive home and told me about the accident. I immediately drove down to the police station and made a police report.
