Brief Details.

Reporting a hit and run accident to my car. I was at the cross junction on lower delta road turning right using the rightmost lane onto Ganges Avenue. I just completed the right turn onto Ganges Avenue sticking within my lane and a lorry collided into the left side of my car. He was also turning right from lower delta road to Ganges Avenue.

The lorry failed to stop despite me honking at him when I saw that he was about to collide into my car. After the impact, the other driver drove away. I followed the vehicle for about 3mins and horned to signal him to stop but to no avail.

I do not have an in-car camera but managed to take a picture of the lorry's car plate number: YN5995B. Will attach the relevant pictures for your perusal.

Thank you for your kind assistance in this case.
