| <p>I was driving MID 21576, leaving Simpson training area to return to Clementi Camp. On RKE RKE I was supposed to keep right to go towards PIE (Turas), but I was on the leftmost lane heading towards PIE (Changi) and therefore unable to filter to the right. The traffic was heavy hence it was unsafe to filter to the right. As such, I took Exit 1 heading towards PIE (Changi). Later on, at King Albert Park, I was trying to keep to the leftmost left lane to go on to PIE (Turas). As I was doing so, I turned on my signal light and checked my left side mirrors before filtering. The front of my tanker grazed the civilian vehicle in front on its right rear. The accident happened at 1230, and both my tanker and the civilian vehicle had stopped by the slip road (into Clement Rd).</p> | | | | | |

Brief Details.

I am the driver for MID 25176. The civilian vehicle involved was SLV 9610Y. I was travelling along Bukit Timah road, heading towards PIE (Tuas). The accident happened at 1230 at King Albert Park, just before slip road into Clementi road. I was travelling along the middle lane and needed to filter to the left. I turned on my signal light and checked my side mirrors, and then proceeded to filter. The front of my tonner hit the civilian vehicle on its rear right.
