Describe Circumstance of the Accident

I was travelling on Balestier Road at about 0830hrs on the middle lane. I signaled to change to the left most lane but before I could filter fully to the left lane, a car hit the ^{right} side (back) of my car. He claimed he thought I had filtered fully to the left lane. We stopped at the side and he said we can settle privately. I later called to confirmed and he assured he will get back to me.
