CONTINUATION OF REPORT

Brief Details.

On 21.08.2022 at about 10pm, I had parked parallel parked by vehicle next to New World Centre and left my car locked and intact before I headed to a snooker place. At about 5am in the morning, I returned to my car and spotted that there were some damages to my car. There were damages like scratches, dents and the body kit to my front bumper was out of place. I then checked my vehicle footage and it showed that there was a taxi, SHA9316E which had hit onto my vehicle and subsequently left.

I wish to state to state that I am unsure if there is other CCTVs around the area.
