CONTINUATION OF REPORT

Brief Details.

I had just pumped petrol and turned out to the left from Esso at Yishun Avenue 9 and intended to make a right at the traffic junction into Yishun street 21. I stopped to the left of the car in the first lane and had my right signal on as it was a red light. Once the traffic light turned green I moved off forward and was in front of the car. As there was oncoming traffic from opposite direction. I slowed down before making the right turn. At that point I was hit from the back and my bike fell on its left side. My pillion, my mom, also fell of the bike. Once I got up I saw that the front bumper of the other party car was on partially on my rear wheel. The driver then came out of the vehicle and assisted me to get my motorcycle out from under the car. I then pushed my motorcycle to the side of the road at Yishun Street 21. We exchanged particulars and left scene. On the next following day, I brought my pillion to visit the nearest polyclinic and she was given 3 days mc for the injuries.
