SINGAPORE ACCIDENT STATEMENT

IMPORTANT NOTICE

1. Please report correctly the details of the accident to speed up the claims process.
2. This Form must be completed by the Policyholder and/or the Actual Driver
3. Information provided must be as truthful and accurate as possible. Any wilful misrepresentation or withholding of material facts may allow insurance companies to repudiate policy liability.
4. The issue and acceptance of this Form by insurance companies is not an admission of policy liability on the part of the insurance companies.
5. Any false reporting may be referred to the Police for investigation.
6. This report will be forwarded by the insurers of the GIA Records Management Centre established by the General Insurance Association of Singapore (GIA) for archiving and that copies of this report will, for a fee, be made available upon application by interested parties.
7. By the lodgement of this report to the insurers, you hereby consent to the archiving of this report at the centre and to copies of the report being made available aforesaid.

Brief Details.

PIE towards Jurong, near lamp post 425F.

I was driving along lane 1 towards Jurong and my wife Loy Wee Leng Joanne (NRIC S1640895F) was sitting in the front passenger seat.

Due to traffic congestion, the cars in front came to a complete stop.

I managed to break in time to avoid hitting the car in front, but the sedan car (BMW vehicle number SMT9469M) driven by Ms Yi Hui could not break in time and collided with the back of our car.

A motor cyclist which was behind SMT9469M hit the rear of SMT9469M and caused damages to the left side of the rear bumper and left rear type of SMT9469M.

The motor cyclist lost control and collided with a Honda Vezel (vehicle number SMX2547X) which was traveling in lane 2.

He fell to the road and suffered bruises to his face and body.

He was alert the whole time and was later attended by the paramedics from ambulance.

Our car did not have any contact with the motor cyclist and his motor cycle, nor any contact with Honda Vezel SMX2547X.

The only visible damage to our car were dents on its rear door above the rear bumper due to the impact caused by the front of SMT9469M.
