Describe Circumstance of the Accident

The incident happened on Friday afternoon (26/08/2022) at 12.38pm. My car (SFJ 8383T) was stationary at the carpark lot located at BHK / Balestier Hill Shopping Centre. I had gone upstairs to the office and when I returned to collect my vehicle, I found a handwritten note together with a name card and there were quite extensive damages to the front portion. The in-car camera captured full details / footage of the whole accident; showing third party lorry (GBH 3858G) had reversed and collided into the front portion of my vehicle.

Declaration

I hereby declare that the above information is true and correct to the best of my knowledge.
