WITHOUT PREJUDICE

Dear Sirs,

Please be informed that liability is unclear as our driver reported that traffic light was in green arrow in his favour.

We would like to request for a copy of police investigation result for our review. Thanks.

At 1205am while I was driving at Tampines Avenue 10 towards Tampines Avenue 11. At T junction while turning right on green light a motorcycle riding towards me collided with my car. Rider fell on my car bonet with slight injuries. Wounds at right hand and leg.
I checked the rider and calm him. I asked passerby to help called the police and ambulance.

“Kindly note that this negotiation between parties on this matter is purely on a without prejudice basis with the sole intention of resolving the matter amicably without parties resorting to legal proceedings. No admission of liability, whatsoever, should be deemed / inferred from this negotiation of terms/settlement.

In the event of new evidence being discovered or subsequently produced by either party that will materially affect/influence on the issues of liability/damages, either party is not bound, thereafter, by the negotiation terms/settlement.”
