Brief details.

vehicle did not managed to stop in time as I could feel my vehicle skidded even when I pressed on the brake. As such, my front left side of the vehicle collided onto the vehicle rear right side. I then went down to make a check and both the driver and I was not injured. As such, we did not call for police assistance or ambulance. I then exchanged my particulars with the driver. However, the lorry only stopped at the road shoulder and subsequently drove off.

On the same day at about 1915hrs, I informed my insurance company about the traffic accident.

I wish to state that I have a installed camera in my vehicle.
