Date Treatment	NIL	Date Discharge	NIL
No. of Days granted Medical Leave	NIL	Degree of Injury	NIL

Brief Details.

On the above mentioned date, time and location, a Tesla car (SMR2529E) stopped in front of me as there was an accident in front. I stopped behind the car. Suddenly another car (SLH484C) which was not able to stop in time collided into the back of my vehicle and then collided onto the right highway divider. Then another vehicle (SKX1529D) turned into my lane collided with the rear left of my vehicle.

Both impacts on my car were quite forceful and my passengers informed that they did not need to go to the hospital.

My vehicle had a camera which was recording at that point in time. My SD card was seized by Traffic Police. The incident location is along PIE just before Adam Road Flyover. Traffic Police and ambulance attended to my scene. I believe someone was conveyed to hospital but I am unsure who. I only have the particulars of the Tesla Driver (SMR2529E).

I am lodging this report as the Traffic Police Officer informed me to do so.

I also have some pain in my neck, left and right arm and was given 5 day MC by Tan Tock Seng Hospital.
