Brief Details.

On the 23/08/2022 at about 0145hrs, I was driving taxi SHC1389L along Scott Road towards Newton Circus with two passengers onboard. At the Newton Circus, I gave way for the oncoming vehicle and as I proceed to drive along the roundabout, one white colour van, unknown registration number, cut from my right side and the van side swipe the front right of my taxi as I applied brake.

The male Chinese driver, about 40 plus years old, came out of his van and alleged that I eat into his lane and as I smelt his alcohol breath, I suggested to report to the police and he followed suit. Halfway through the journey, the van driver disappeared and I did not take note of his registration number.

The front right mudguard of the taxi was scratched. My passengers and I were not injured and the Comfort camera should captured the accident.
