**Brief Details.**

On the above mentioned date and time, I was travelling at the above mentioned location towards Upper serangoon viaduct. I was driving and realized that the vehicle in front (SDJ9000R) was slowing down as such i maintained my distance and gradually stop behind. After I came to a complete stop behind SDJ9000R, I was hit from the rear by an unknown vehicle. I got out and realized that it was a chain collision between my taxi, the car in front (SDJ9000R) & Lorry (GBG3980R). The Lorry was located in my rear. All 3 drivers got out of the vehicle and made a check. No ambulance or traffic police was called or activated. We agreed to settle privately and left the location, I proceed to Comfort workshop and was informed to lodge a accident report. I went home and felt a slight pain on the back of my neck, my back
