**Brief Details.**

On the 31/8/2022 at about 1.10pm, I was travelling along New Upper Changi Road towards Kembangan, on the 2nd lane. When I was approaching a traffic light, suddenly a vehicle, from the 1st lane, made a lane change. I was not able to stop in time and subsequently hit onto the left rear of the vehicle. I then fell to the left. I sustained injuries on my right elbow and also on my right chest area.

There was a witness, who assisted me to view the camera of his vehicle. His contact number is 91865225.

There were no ambulance or Traffic Police that came to the scene. I proceeded to Changi General Hospital on my own. The damages on my vehicle are broken left mirror, broken left signal light and major scratches on the body frame, however it is still functioning. As of now, I do not know if there are any other damages on my vehicle as I will be sending it to the workshop to get it checked.
