Sketch Plan

Describe Circumstances of the Accident

Cement Truck Driver : Ganesan Santharvan Karthikeyan

FIN : G325 3795U , S Pass : 03711863-

Sector : Construction

Employer : Sayoon Builders & Designers Pte Ltd.

At 2005 hrs Ophir Road in direction of ECP. This is wide 5 lane road that was bright, well lit and accident happen at straight side of Ophir Road. Evening was dry weather, there was no rain and road was dry without any debris, oil patch or wet.

Owner car SGX6628L was stationary on lane 3 behind a row of cars as traffic light in front (Ophir road and beach road junction) was red.

Front row of vehicles started to move. Car directly in front of me moved off slowly. I lift my foot off brake pedal slowly, my car moved slightly ahead but I step on brake again because car in front of me braked to complete stop.

My car stopped completely easily because I only lift foot off brake and within 1-2 seconds step on brake again. My car stopped.

As I stop my car, heard sound behind me, vehicle behind slam into my car rear. Look at mirror was a construction vehicle.

Behind me was cement truck Isuzu WC671RE driven by above mentioned truck driver.

Impact was direct into owner car rear, from subsequent inspection and photo taken, rear bumper was bang in, rear boot deform inward and upward, paint work crack, rear light came out and protrude out of body. Truck dark blue paint was on my bumper and boot lid. Impact quite strong to driver (me) and body swing forward and car also pushed forward.

I stop car, press hand brake, shut engine off and came out of car.

Driver in truck, took a while before come down. I ask him if okay, where is he going, is he working or go home. He said truck he step brake but truck cannot stop. He said sorry. I ask for name, identity and insurance company. I ask if he is approved driver but think he does not understand.

He show S Pass, gave me name and tell me he try call supervisor.

Surest Supervisor HP 91330058 over driver phone ask to settle private.

I told him no, both parties ought to report and make claims. Call ended.

I told driver take care, drive slowly as vehicle is big, heavy and need big gap in front to have safe brake distance. I went into car and drive back home.

Declaration

We declare the foregoing particulars are true in every respect.
