Subject: Request for Accident Surveyor (GBB4338R Toyota Hiace)

Hi Yan ,

Following our Telco, we would like to request for an Independent Accident Surveyor for our Company Van GBB4338R (Toyota Hiace) .

Backgroud Information.

One of our Ex Sub Con Driver request for rent our Company Van for 1 week, as his own Van was in the Workshop due to Accident Repair.

Rental Date: 31st May 2022 to 6th Jun 2022

Name of Rentee : Nicholas Hon Min Loong (22yrs)

Date of Accident : 2nd Jun 2022 (2.30AM) Along Mandai Ave .

Cause of Accident: **Drink Driving**

Insurance : NTUC Comprehensive (Repudiated Due to Drink Driving)

We have contacted him (Call / Whatapps) to Settle this Repair Cost (to be bear 100% By him) .

We compare several Quotations (\$13000 to \$16000) .

He agreed to make repayment via monthly installments of \$1000 per month. (which we DO not Agree) .

After which , he try to be evasive and ignore our calls.

Therefore , we have to engage our Lawyers to send him the “Letter of Demand”.

Instead, he engaged his Lawyer to counter back .

In preparation for this case, our lawyer advise us to engage a Independent Accident Surveyor to advise on the following:

- A. Estimated Cost of Repair
- B. Is it more economical to Scrap or Repair the Vehicle
- C. Market Value for Replacement of Similar Model / Age of Vehicle.

Pls feel free to contact me for any clarifications.

Thanks,

Francis Wong
