Without Prejudice

Save As To Costs

Dear Sir/Madam

Strictly on a without prejudice basis and without admission of any liability, we offer to settle your client's claim as follows:

We have assessed your client's claim and would like to highlight that he was given 6 days of MC and was treated with the usual medications to relief pains.

Further, your client sought medical treatment only TWICE and as such, it is safe to assume that she has achieved full recovery without any residual disabilities.

Purely to reach a settlement, we are proposing offer as follows:

Please note that our offer of settlement is full and final, if there be any injury claims by your client, please combine it in one Letter of Demand as a cause of action shall not be divided for the purpose of bringing 2 or more actions.

Attached herewith our Discharge Voucher for your client's execution. Please return the duly signed DV, together with a copy of the Final Repair Bill and Authorization To Act via email.

However, if the repair cost cannot be agreed upon, we would like to request for re-inspection.

Please note that we will contest the cost of repairs as recommended by MC-Coy vigorously. In the event that the case cannot be resolved amicably, and that the court held the view that our offer on cost of repair is reasonable, we reserve all our rights to claim costs from your client.

Our 50% offer is simply with a view to to bring this matter to end. Kindly do not construe as an admission of liability on the part of our insured and shall not in any way jeopardize our client's rights against the responsible party.

Please note that our offer is strictly made on a without prejudice basis and without admission of any liability, it shall not in any way jeopardize our client's rights against the responsible party.

Please note that our offer of settlement is solely for an amicable basis and shall not be construed as any admission of liability on the part of our insured and/or driver. This settlement shall not be cited in any other related action suit that may arise out from this accident.

We look forward to your favorable reply.

Please hold hands while negotiation is in progress.
