After turning left into Bras Basah Road from Beach Road, I was stuck in the left turning lane which leads to Nicoll Highway. As I need to turn right towards Nicoll Highway instead of turning left, I turn on my signal light and start driving to the right. While making my right turn to filter to the next lane a SBS bus got into a collision with me, knocking my right front portion of the car. Causing my head lamp and front bumper to be knocked off.
