Dear Jasmine, Wai Yin and colleagues,

We refer to the above matter.

This case is under investigation.

Based on both parties' Singapore Accident Statement, it is a conflicting version of accident as both parties blaming each other to encroached/squeezed/over took into their lane/vehicle.

As such we would be grateful if you could provide further evidence such as scene photos/video footage to assist us to assess liability.

Your kind reply & co-operation is highly appreciated.

Thank you.

Best Regards,
