**Describe Circumstance of the Accident**

On 19/9/22 at around 4:20pm, I was reversing into Jalan Paras. While reversing, a lorry, parked along the road was knocked into by my car. The lorry's rear left hit my car's rear left part causing quite bad damage to the car. Following the incident, communication between the lorry driver and my husband took place and it was decided that no report would be made by the lorry driver against the car's insurance policy.

You had been advised by workshop that in the event that you wish to claims against your own policy (OD Claims), there is a Fourteen (14) days clause whereby the claim must be made within the stipulated time frame from the day of occurrence.
