Re: Third Party Claim For Vehicle Registration No. SMT1484X

We refer to your instruction to appraise the above-mentioned vehicle on 28 October 2021

A static inspection was carried out and our report is enclosed for your perusal. The estimated cost of repair submitted by Messrs.

Alpha Car Services Pte Ltd for SGD 24,005.70 as per our attached schedule has been inspected thoroughly by us against the actual damages sustained on the above-mentioned vehicle and we recommend the replacement and rectification accordingly.

Our revised quotation for the repair is <u>SGD 19,089.85</u>. In our opinion, it to be excessive. Therefore, we recommend a contract lump-sum repair cost. This is more economical than to have the above-mentioned vehicle repaired on parts by/for parts basis. Invariably, the repairer has the prerogative/option for the recommended replacement parts to either be repaired or be replaced.

We have negotiated with the repairer and they have agreed to repair the above-mentioned vehicle for SGD 15,250.00 NETT. Which, in our opinion is fair and reasonable.

The repairer has agreed to undertake the repairs to your requirement at the recommended contract lump-sum. However, we have not given any instruction and authorisation to the repairer to proceed with the repairs.

Under normal circumstances, the entire repair of the damaged vehicle should be completed within a reasonable period of **7 (Seven)** days.

We are reverting the matter to you for a decision, and enclosed is our vehicle inspection report, appraisement schedule and invoice for services rendered.

Please do not hesitate to contact us if you have any queries on this matter.

Yours faithfully, United Appraisal & Management Pte Ltd
