Brief Details.

I (SKJ3858P) was waiting for the red traffic signal to turn green at the "Opp Macritchie Reservoir" bus stop towards Lorrie Highway. I was stationary, just when the traffic signal turned green, a van/Light Goods Vehicles (GBE8122D) rear-ended my car. I have the front dashcam recording which I am willing to submit if needed. My car was pushed forward due to impact. I immediately felt a strong, big jolt and felt immediate pressure and pain in my neck and lower back. There were noticeable damages to the front bumper and number plate of the van that rear-ended my car. My own car's back bumper took the impact but did not have any major damages, instead strong impact was transferred to me driving the car.
