**Brief details.**

I was driving my car SKZ8324X along Bukit Batok East Ave 3 in the right most lane. I had just passed by blk 284 Bukit Batok East Ave 3 on my left and was approaching traffic junction intersection with Bukit Batok East Ave 6. Suddenly a black Kia cerato SNB 5203 Y swerved into my lane without signalling. I immediately slammed on my brakes fully but was unable to avoid hitting the said car. Both my car air bags were deployed and my car windscreen was cracked. The said car suffered minor damage on its rear bumper while my car was quite badly damaged and The accident was captured on my in-car

camera. The other driver and I exchanged particulars and he drove off in his car. The other driver gave his name as TAY CHIN LAI S7012085J. My car couldn't be started and I had to get it towed to a car workshop. I was in a state of shock after the accident. I could not sleep properly last night and woke up having shortness of breath and felt pain in my chest, neck and back. I was seen by a doctor at Ng Teng Fong Hospital A&E department and given 5 days medical leave. I would like the police to investigate this matter as I felt that the said driver had endangered my life by driving in such an irresponsible manner and hope that action can be taken against him if he is found to have committed any traffic offence.
