Brief Details.

On the stated date and time, I was driving SMZ295A exiting Esso Dunearn Petrol Station via the exit towards Vanda Road.

There was a long queue of vehicles stationary along Vanda Road towards Dunearn Road due to the peak hour jam along Dunearn Road.

I was stationary at the hump at the exit waiting for the opportunity to turn right onto Vanda Road when a vehicle on my right came to a stop before the exit to give way to me.

As such, I slowly moved off and wanted to make a right turn onto Vanda Road towards Vanda Ave direction.

As I was slowly inching out, I also noticed that the lane of Vanda Road towards Dunearn Road was only wide enough for 1 vehicle to pass through, leaving absolutely no space even for a bike to squeeze through without travelling against the flow.

Nonetheless, I still moved very cautiously, executing my right turn onto Vanda Road towards Vanda Ave.

The front portion of my vehicle had passed the single continuous white line separating both directions of Vanda Road, when a motorbike FBQ9636T, which was travelling against the flow of traffic, suddenly appeared at high speed and collided into the front left portion of my vehicle.

Report No. T/20221008/7047

CONTINUATION OF REPORT

The rider lost his balance and fell only after making contact with my vehicle.

I was in a state of shock as I would never have expected said rider to travel against the flow of traffic, furthermore, at fast speed. There was no way I could have reacted in time to avoid the collision.

Ambulance and traffic police arrived and the rider was conveyed by ambulance.
