Describe Circumstance of the Accident

7th

On 8th Oct 2022 at about 5.56pm along TPE towards SLE, I was driving on the extreme right lane. The car in front of me stopped and I followed and stopped behind the front vehicle. Suddenly there was a loud bang from behind. After checking my family was OK, I left the car and realized that there was a total of 4 cars involved in the accident. My car was first, followed by a BMW SEV 8871 D, then a white Mercedes SMK 3686 P then lastly a grey Honda SMT 9161 A. The damage to the car, I felt was unsafe to drive. So I sent the car the following day to get a replacement for my transport.

You had been advised by workshop that in the event that you wish to claims against your own policy (OD Claims), there is a Fourteen (14) days clause whereby the claim must be made within the stipulated time frame from the day of occurrence.
