Subject: RE: Survey of accident car after repair

Dear Mr Yee,

Survey of vehicle before and during repair to ensure repair carried out in proper and safe method is \$500.00 (before GST).

Mechanical inspection after repair to check whether vehicle is road worthy and whether any abnormal behaviour is \$500.00 (before GST).

Both inspections will be accompanied by reports.

Best Regards,

Celine Fong

Subject: Survey of accident car after repair

Dear LKK,

With reference to the above, our QC met an accident with our customer's car during test drive. The accident was quite bad and our customer requested us:

1. To engaged an independent surveyor to check and survey his car after we have repaired the car.
2. A report of finding.

With the above, we would like you to quote us on the above services.

Regards!
