Brief Details.

Yes, the video file is about 35MB. Total of 2 files about 70MB.

It happened at the junction of Buangkok Dr and Hougang Ave 10. I was travelling on Hougang Ave 10 towards Punggol Road and the traffic light was green in my favour. As I was approaching the junction, I slowed down a bit and there were a few vehicles that was doing the right turn at the junction on the opposite direction. After the chain of vehicles turning right, it was cleared and I proceed straight and then I realised that there is another lorry trying to proceed to turn right without waiting the pocket. I applied brakes immediately, but the distance is too near for any braking to be effective. The accident took place at a vehicular cross junction.
