Dear Mr Hwee Boon,

We refer to the above matter and our previous tele conversation.

Please find enclosed herewith our insured driver's police statement.

### **Brief Details.**

On 17/10/2022 at about 2200 hrs, I parked my vehicle GBE911X at the open carpark near my house at 265 Yishun Street 22. I then received a call on 18/10/2022 at about 0430 hrs by Traffic Police that my vehicle was involved in a hit and run and advise me to lodge a Traffic Accident Report. From the last night 2200 hrs till 0530 hrs my vehicle did not move at all. My vehicle is equipped with in-car camera however I am not sure whether there was recording or not. There were no damages on my vehicle upon retrieving it.

As such, please provide Traffic Police Investigation Result or video footage or any other evidence to assist us on assessment of liability.

Thank you.

Best Regards,
