**Brief Details.**

I have a dash cam installed regarding the accident. I was travelling in the outermost right lane along pioneer road just after the round about when a lorry YM9352K from the 2nd (Center) lane signalling left swerve into my lane which was on the right. I sound my horn and brake but the driver didn't realise continue swerving and stopped only after hitting the left side of my car SJV5742A damaging my side mirror and left side of the front door. Driver then stopped and we have exchanged particulars and taken photo of the accident. I have checked with the lorry company and was told to claim insurance for this accident.
