Brief Details.

I was trying to park at around 5pm into car parking lot 64 of Car Park BMDRM2 (Depot Road) when in reversing my car into the Car Park lot, my left back of the car brushed against the front right side bumper of the other parked car (SKT4155A) at parking lot 65. There was no one in the parked car (SKT4155A). I immediately came down and examine the both cars and also use my microfibre cloth and wetwipe to clean and examine the scratches. There are some scratches but no dent observed.

As there was no one around and I have no pen/paper, I went home immediately to take paper/pen and wrote down my name, carplate and contact number and placed a note on the windscreen of the car so that the owner can contact me to discuss the matter.

I am submitting this so that it is not a "hit and run" scenario just in case the person did not contact me or the paper that I placed on the windscreen disappeared (other people take or the wind blow etc)

The above is written to the best of my knowledge
