Brief Details.

Waiting for a car to move out from car park lot and had hazard lights switched on, along MacPherson Road. Got hit from rear right side of the car while stationary. Immediately took photo of the vehicle that hit me, PC5411J, which occurred between 1818-1817hrs. Had exchanges of emails sent to the company (Woodlands Transport) and agreed upon private settlement if no police report is made by 1700hrs the following day (18/10/22). A call was made to me from the company after that email was sent out in regards to the police report to be made if nothing was heard from them by the states time. However, other party came back with emails stating that they have decided to do a third party claim, knowing that no police report was made. Therefore, the lateness of the police report submitted now.
