Describe Circumstance of the Accident

I was alone and driving along Upper Serangoon Road. At a traffic light junction, I was already stationary as it was red light. Then a car SMN 2437 H drove into me at 07:15:06 according to my rear view camera.

I came out of the car to look at the damage to my car. I also gestured for the driver of SMN 2437 H to come down but he refused and stayed in his car.

As we were in the middle of on-going traffic I drove off to my office and took photos and down loaded the impact videos after I parked.

Declaration

I/We declare the foregoing particulars are true in every respect.

If you wish to claim against your own policy, please be advised that your insurer may have a fourteen (14) days clause whereby the claim must be made within the stipulated timeframe from the day of occurrence. Kindly check with your insurer for more details.
