WITHOUT PREJUDICE

Dear Sir,

Re : Third Party Claim For Vehicle Registration No. **FBJ3822Z**

We refer to your instruction to appraise the above-mentioned vehicle on 23/06/2022
Which was involved in an accident that happen on the 09/06/2022@0430hrs along TPE toward SLE after Tampines Ave 7 Exit.

A static inspection was carried out and our report is enclosed for your perusal. The estimated cost of repair submitted by Messrs. RIGHT CLICK AUTOWORKS PTE LTD for SGD 6476.7 as per our attached schedule has been inspected thoroughly by us against the actual damages sustained on the above-mentioned vehicle and we recommend the replacement and rectification accordingly.

Our revised quotation for the repair is SGD 5806.7. In our opinion, it to be excessive. Therefore, we recommend a contract lump-sum repair cost. This is more economical than to have the above-mentioned vehicle repaired on parts by/for parts basis. Invariably, the repairer has the prerogative/option for the recommended replacement parts to either be repaired or be replaced.

We have negotiated with the repairer and they have agreed to repair the above-mentioned vehicle for SGD 4650 NETT. Which, in our opinion is fair and reasonable.

The repairer has agreed to undertake the repairs to your requirement at the recommended contract lump-sum. However, we have not given any instruction and authorisation to the repairer to proceed with the repairs.

Under normal circumstances, the entire repair of the damaged vehicle should be completed within a reasonable period of 5 days.

In accordance, we have **Not Authorised** the repair to the damaged vehicle and the survey was conducted strictly on a **"WITHOUT PREJUDICE"** basis.

We are reverting the matter to you for a decision, and enclosed is our vehicle inspection report, appraisal schedule and invoice for services rendered.

Please do not hesitate to contact us if you have any queries on this matter.

Yours faithfully,
Reliance Appraisal Pte Ltd©

Ho Too Boon
Motor Vehicle Appraiser
