Accident on 12.11.2022 at 3.22pm.

It was a rainy afternoon; I was driving my car SMY9238L with my family going to Citygate. We were travelling along Jalan Sultan Road turning right into Minto Road heading to the Citygate car park. It was a yellow box, and the traffic was heavy, thus I waited patiently for the cars to slow down and stopped before turning right. At that moment, I saw 2 ladies crossing the road where I was heading, even though they saw me coming. Thus, I slowed down a bit while approaching.

Then the Audi A3 SFS1889A driver Ms Cheryl Chua on the extreme left lane suddenly accelerated and banged on my left rear of my car. My car was almost 90% into the lane. My 2 girls were terrified and crying and me and my wife were in shock and scared.

Me and my wife came down and inspected the cars. My rim was scratched badly and the Audi car the front bumper has some marks on it, but seriously cannot tell whether was from this incident or her previous. Ms Cheryl Chua said that she cannot see me coming (how can that be, unless she is not observing the road condition) as her vision was blocked by the second car in the middle lane, thus she she did not slow down as she had an appointment to rush to. I told her that it is common sense if driver see the cars in front stopping and when approaching yellow box or traffic lights, we will tend to slow down and reduce the speed rather than accelerate.

If Ms Cheryl Chua, mobile number 96203649 the driver was to reduce her speed, the accident could have been avoided.
