Describe Circumstance of the Accident

Was ~~raining~~ <sup>drizzling</sup> heavily during the accident and the roads were wet as there was a heavy downpour earlier on. The traffic was heavy as it was the evening peak hours. The car in front of me had braked and I slowed down too. I had come to a stop and was looking into my rearview mirror when I saw the car behind me continued driving without an intention to stop. By the time the driver realised, it was too late to brake and he hit the back of my car.
