Hi Hsiao Tong & Assignment Team,

I have spoken to insured regarding this case. From what I gathered :

- Insured drove insured's vehicle to 71 Kallang Bahru with spouse for dinner at around 8pm. It fits TP's reported time of accident.
- Insured did not recall reversed into third party vehicle but he did recall that he noticed there is a pedestrian staring at him (likely to be the witness) before he drove off.

Understand witness's reported that it was a white Mitsubishi but also considering the time is late, witness might overlook insured's car as white.

To prevent potential litigation and to safeguard our position, please arrange for height measurement on both vehicles to confirm damages consistency.

Insured is agreeable for the arrangement. You may reach out to insured directly for the arrangement.

Insured wishes this matter to be expedited, appreciate to contact insured and third party **by this week**. Please acknowledge.

Regards,

Lee Ming Yao, George
