Dear Norsiah,

As discussed, insured reported that no collision. Third party had submitted a copy of witness police report for our review.

From third party witness report, we noted that the witness reported that "White Mitsubishi" reversed into a parked Audi which is not tally with our insured vehicle's colour. Therefore, we are of the view that it is inconclusive to support third party claim against our insured's policy.

In view of the above, we seek your approval to reject third party claim.

For your approval please. Thanks.

Best Regards,

Hsiao Tong, Chew (Ms) | Case Handler
