Sketch Plan

Describe Circumstance of the Accident

I was turning ^{right} from Bt Merah Central to Bt Merah Central and I checked for traffic both ways as well as the small road from a carpark in front. I saw it was clear to proceed and continue to make the right turn. I saw a blue car SMD 7292C at the stop line in front and expected him to wait till I have turned before coming out to a major road. However half way through my turn, I saw his car coming out and I jammed my brakes but it was too late to avoid the collision.

Declaration

I/We declare the foregoing particulars are true in every respect.
