Dear Sir,

I refer to the following request by SIO Firdaus. Kindly assist to expedite on the request, please.

a. **Case IAFP-IB-20220208 - Mechanical Inspection of Motorcycle, FX9090H (TP/IP/08897/2022)**

On 18 April 2022 at about 8.45 p.m., B1 was travelling along the slip road from Clementi Avenue 6 into PIE (Airport) on lane 1 of the 2-lane road when he was believed to have lost control of his motorcycle while negotiating the gradual right bend and veered to the left before colliding onto the metal guard railings on the left side of the road. The rider was conveyed to Ng Teng Fong General Hospital (NTFGH) by ambulance. On the same day at about 9.38 p.m, he was pronounced dead at the hospital. A detailed mechanical inspection is required to eliminate any mechanical fault or any possible defence and to rule out foul play.

2 Thank you.

cc: SIO Firdaus, as requested by you.

Best regards,

Kamaliah Kamis (Miss)
