Dear Ernest,

There is no issue for Ill to proceed with the payment to acc no. starting with 339.

For future assignments, both acc no. will do. However, they need to email us the payment details, therefore I can check with my respective colleagues.

Thank you!

Dear Shaqilah,

Thank you for your prompt response.

I have already commenced the processing of your fees to the bank acc no. starting with 339. Is there any issue for them to proceed or would you require them to amend to the account no starting with 116?

For future assignments, would LKK be accepting fees payment to bank acc no starting with 339 or 116? This is so that they can amend/keep their record, doing away with the need to go through this process again.

Thank you.
