Brief details.

2 days ago. I received a phone call from an investigator officer and ask me to write this police report . I was shocked to receive this call as I do not remember anything and said I was involved with an accident with an motorcycle fbb8983b.I check mine gojek application record, I was driving on that day as a gojek driver .

After received the officer call , I went to check on mine car body and there is no damage or scratches on the left side and right side of mine car body. Anyway I was worried about this accident too and would like to know is the motorcycle moving ? And how is the motorist status ? I feel bad if I really knock into him .
