Dear Ezlyna,

Further to my last email stating my case.

I am still in opinion that the Third Party Taxi SHF95A has not taken care and diligent in negotiating out of the very narrow space thus collided onto my vehicle in which they are claiming 100% of negligent on my part.

I am at near stationary position releasing the brake to move on while the taxi slips into my blind point on my right on a heavy rainy day and took a dangerous turn out to my lane.

I went back the place of accident and took measurements and the lane is only passable for only 1.5 mid-size car width of my size and the Third Party video doesn't look like it's a very narrow and not passable. I attach a photo for your view.

I will claim Third Party for my damage and loss of use on my end soon.

Thank you.

Sincerely,

Tay Jiun Ngiap

Dear Sir/Madam,

**ACCIDENT INVOLVING SNG6349C (CHINA TAIPING) AND SHF95A AT/ALONG EVERITT ROAD NORTH  
ON 30/11/2022**

We refer to the above subject matter. We write to inform you that we are the loss adjuster appointed by your motor insurer, China Taiping Insurance (Singapore) Pte Ltd to deal with the third party claim against your policy.

We have received a claim from **SHF95A** against your motor insurance policy.

Based on the accident report and video footage provided by third party, we are of the view that liability is not in your driver's favour. Therefore, we shall proceed to negotiate for an amicable settlement of the third party claim at best to avoid further litigation, which would escalate to even more cost.

Should you however wish to further discuss on the matter prior to our negotiations and settlement, please contact us within 07 days from the date of this letter.

Thank you.
