lane without checking blind spot. The said driver did not speed up to overtake me but instead just cut into my lane even though the driver had signaled. Due to the accident, my vehicle had damage on it and cost of the damage is unknown at the moment.

Shortly later, I felt giddy, vomited and felt pain at the back of my neck. However, there was no conveyance, and I will be seeking medication attention on my own. At that point of time, my friend was also onboard in my vehicle, and he sustained pain on this back of the neck and back of the head. He had yet to seek doctor as well and will be seeking medical attention.
