Dear IO Koh

I refer to your request below.

We will carry out a mechanical inspection for any abnormality to the Motor Lorry including its seat belts as well. A report of our findings will be put up thereafter for your further action. We can carry out the inspection at your Division.

Our fee is \$700/- (excluding gst).

If towing services to the workshop and dismantling are required, they will be billed thereafter.

Best Regards,

Sherwin Beh | Technical Investigator

Subject: Request for Quotation - Mechanical Inspection of Lorry vide L/20221022/0016

Sir/Mdm,

I would like to request for a quotation for the mechanical inspection of a lorry (Registration plate: YN7315B) involved in a fatal vehicle collision.

2 The lorry was believed to be travelling at a high speed at level 5 of an industrial building and could be making a right turn when it crashed into the concrete barrier. One male subject in the front of the lorry was believed to have been flung out over the concrete barrier due to the impact. He landed at level 1 and unfortunately passed away. Other 3 male subjects were badly injured. The front and left side of the lorry is heavily damaged.

3 As we do not know the exact cause and circumstances which led to this incident, pls check do a full mechanical inspection of the lorry for any possible issues which might have led to such an incident (including seat belts).

4 The lorry is currently at Woodlands Police Division. Thank you.
